• RELIABLE • RESILIENT • EFFICIENT • ENVIRONMENTALLY CONSCIOUS

## ONE OF NORTH AMERICA'S LARGEST NATURAL GAS POWERED GENERATOR RENTAL FLEETS

Moser Energy Systems designs, engineers, and manufacturers mobile generators for its rental fleet to meet the most challenging conditions such as the harsh, demanding conditions of the oilfield. No matter what industry or conditions you are working in, Moser's generators can be relied upon when you need dependable power.

## MOSER HAS YOUR POWER NEEDS COVERED

**EXPERIENCE** Moser has been in business since 1973 and over its history it has built a gold standard reputation for the highest level of customer service and reliable equipment. The Moser team brings decades of experience in every aspect of delivering energy solutions to a wide range of applications.

**RELIABILITY** Nearly 100% runtime in the harshest conditions.

**LARGE FLEET** Over 1,000 natural gas powered generators providing approx. 200MW of generation capacity. Individual generators range in size from 70kW to 350kW, but can with paralleling technology generators can be deployed to serve power loads in excess of 20MW.

**ENVIRONMENTALLY CONSCIOUS** Moser's natural gas generators are 30% cleaner burning than diesel-powered generators.

**REMOTE MONITORING** Onboard monitoring provides real-time operating information ensuring timely response to scheduled and unscheduled service events.

**24/7 SERVICE** We offer true 24-hour service and support to our customers. If there is a problem, we will provide the solution, no matter the time, day or night.

**STRATEGICALLY LOCATED** Operations throughout the USA.
